**LOUISVILLE, Ky. (Friday, Sept. 27, 2019)** – Bettors have a chance to chase two carryovers on Saturday night's 11-race Downs After Dark racing program at Churchill Downs.

There will be a mandatory payout of the 20-cent Single 6 Jackpot, which has a carryover of \$71,694. Plus, there is a carryover of \$74,372 on the late 5-cent Pick 5 because no one had five winners in Friday's early Pick 5.

Saturday night's Single 6 will span Races 4-9 starting at 7:26 p.m. (all times Eastern), while the late Pick 5 will cover Races 7-11 starting at 9:05 p.m. The first race on the 11-race card is 6 p.m.

Both multi-race wagers feature a 15% takeout, which is among the lowest takeout rates in American racing.

A trio of stakes races – the \$150,000 Ack Ack presented by GE Appliances (GIII) (Race 7); \$125,000 Jefferson Cup (Race 8); and \$250,000 Lukas Classic presented by Budweiser (GIII) (Race 9) – is showcased in both the Single 6 and late Pick 5.

A total of 59 horses are scheduled to compete in the Single 6 sequence for an average of 9.8 horses per race. There are 48 horses in the late Pick 5 for a 9.6 horse-per-race average.
